2. The applicant has applied for grant of the area of 0-3-0 out of B.S.No. 51 of Kodgibail, encroached upon by him by construction of his residential house. The Collector had passed orders to remove the encroachment by serving eviction notice & accordingly notice was issued to him to vacate the area. Since he had not vacated the area as per the notice, a panchanama was got drawn up regarding the probable amount required for getting the encroachment removed through Govt. agency and the panchas had opined that an amount of Rs 50/- might be required for the purpose. The original case together with the application of the applicant received from the Forest Dept. has been forwarded on 12/7/56. Since the applicant (encroacher) has got no right over the encroached Betta land which is in the possession of other Betta valivedars, it seems the Betta land cannot be granted to him. The p.e. may, however be referred to for further orders passed.

Reference : Government letter, R.D. No.O/75240, dated 5-7-1956.

In submitting herewith the application received under Government letter referred to above, I have to state as under :-

2. In this case, the applicant Shri Venku Hule Gouda had unauthorisedly constructed a residential house in an area of 0-5-0 out of Betta S.No.51 of Kodgibail village in Sirsi Taluka. The applicant has got no right whatsoever over the betta S.No. in question (P.129). The betta in question has been assigned for supplying green manure to the bagayat S.Nos.44, 45, 46, 48, 49, 53, 55, 56, 57, 58, of the xx same village (P.17). As the encroacher has no right whatsoever, over the said betta area, the unauthorised construction was ordered to be removed by the Collector under his endorsement No. FOR.SR.1055, dated 22-2-1956 (P.130). Against this order of the Collector, the applicant encroacher has approached Government with the present application (P.149).

3. According to para XIV of G.R.,A.& F.D.,No.3907, dated 7th December 1950 read with Rule 42 of the Bombay Forest Rules,Vol.II permission for construction of residential house can be given to the betta wahivatdars or the malkidars and tenants of the bagayat land to which the betta stands assigned if it is considered necessary in the interest of better sanitation and better cultivation of bagayat lands to which the betta stands assigned. But in this case the applicant has no right whatsoever over this betta. Moreover, there is no provision to regularise the encroachment by a third person in the betta land.

4. There is no provision in G.R.,A.& F.D.,No.FDM.1054, dated 7-3-1955 for regularising the encroachment in betta lands.

5. In these circumstances the applicant's request for grant of the encroached area out of Betta S.No.51 of Kodgibail vill cannot be recommended. He may kindly be informed accordingly and papers returned to this office for taking further action as regar the removal of the encroachment in question.
